Sweigert v. Goodman, 23-cv-05875-JGK-VF

U.S. Magistrate Judge Honorable Valerie Figueredo
U.S. District Court for the Southern District of New York
500 Pearl Street, New York, N.Y. 10007
Via ECF filing

SUBJ: Disposal of extra-judicial claims to Florida authorities

Dear Judge Figueredo,

1. In light of Defendant Goodman's concern for the laws of Florida the undersigned offers the attached exhibit.
2. It should be noted that the Defendant's non-stop social media smear campaign against the Plaintiff's loved ones is no different – in the eyes of the law – than a single pre-litigation letter sent to a licensed physician and a former public official. Both are protected free speech.
3. There are no winners here.

Respectfully, Signed 01/28/2025

D.G. SWEIGERT

SUBJ: **Dr. Mark A. Goodman, M.D. ME119838**

Ladies and Gentlemen,

1. Attached please find the remarkable affidavit of the subject physician who admits to a wide variety of ailments and symptoms that would disqualify him from maintaining an active status as a physician.
2. Paragraph 5 of the attached places the mental competency of this individual in question. This individual may be the victim of exploitation by his son as described in the document, which his son could have authored.
3. Aside from the numerous physical infirmities described in the document, that clearly impact a physician's judgment and professional fitness, the undersigned believes this document (attached) contains numerous perjurious statements.
4. It is suggested that the Board open a review into the medical worthiness of this individual who, according to the document, poses a threat to public safety.

Sincerely,

D. G. Sweigert
